

State Farm

12/06/2011

Wade Brewer is looking to fill one position in his office in Locust Grove.

The position is for a full time, financial services representative. The person either needs to be currently licensed or be willing to obtain the required licenses prior to starting the position.

Ideally, the person should be a self-starter, motivated, and willing to grow the agency business in all lines offered. This is a position that can allow the right person with the opportunity to eventually have their own State Farm agency

Please email resumes of interested candidates to: Wade.Brewer.GZ32@statefarm.com

Wade would like to fill the position by the end of December 2011.
