

We have immediate openings for Independent Contractor Couriers with a 2003 or newer Minivan or Pick up trucks with a camper shell (v6 or smaller only). You will be using your own vehicle to pickup and deliver packages throughout the Atlanta Metropolitan Area. Drivers are paid on a straight commission basis, receiving 50% of every delivery completed. You can work Monday through Friday 8am to 6pm or more, if you would like. The better you know the area, the faster you get around, the more money you can make. If this seems like something you would be interested in, please respond to the ad to set up an interview.
